Prerequisites: None

Course Description:

After completing this Sage 50 Accounting Full Online Course, you will have learned how to use the Sage 50 Accounting program from start to finish.

This package consists of the two Sage 50 Accounting Courses, Level 1 and Level 2 combined. You'll begin with the Sage 50 Accounting Level 1 Course with learning to navigate in the program, and to create and set up a new company. Then you'll move into settings to learn how to automate features and functions, and to customize the company's Chart of Accounts. You'll learn to record daily business transactions in journals such as the General Journal, Revenues and Sales Invoices, Expenses and to pay bills, Sales Tax payments, Banking Transactions, and you'll complete a business's month end of Financial Statements and Reporting.

After completing the Sage 50 Accounting Level 1 Course, you will proceed onto the Sage 50 Accounting Level 2 Course to learn more features and topics of setting up and completing payroll, inventory transactions and management, projects and job costing, company budgets, departmental accounting and a businesses fiscal year-end with adjusting transactions.

Our courses are set apart for any other Sage 50 Accounting online or classroom courses, as our hands-on exercises take you step-by-step and prepares students to work with Sage 50 Accounting in a business. You are assigned to an instructor to help you during the course and to answer questions you may have.

Simply Training has years of experience designing courses and we understand how people learn best! Our instructional videos offer more than just demonstrations of how to record transactions; they provide information on bookkeeping, office procedures, all Canadian content, best practices and many consultants' tips and tricks.

This course simply provides exceptional value! Join the thousands of Canadian office workers, Bookkeepers, Accountants and Business Owners who have completed our courses successfully and are now working with Sage 50 Accounting confidently. Ensure to read our testimonials from students who have completed the course and has helped them in finding work or started their own business.
