This All-inclusive Bookkeeping Course is a bundle of three (3) courses: Accounting Fundamentals, Sage 50 Accounting Course 1 and Sage 50 Accounting Course 2.

Course Description:

After completing this All-inclusive Bookkeeping Course, you will have the bookkeeping skills to work in a business or provide bookkeeping services to small businesses. You will experience the simplicity of learning Accounting Fundamentals and bookkeeping Compliance and become experienced in Canada's most popular Accounting Program, Sage 50 Accounting 2025. You will be an asset to any business!

You'll begin with the Accounting Fundamentals Course to learn accounting terminology the accounting cycle, understand Debits and Credits and Journal Entries, record daily business transactions of revenue, expenses and payroll, learn how to complete account reconciliations, and experience how to prepare Financial Statements of a Trial Balance, Statement of Earnings (Income Statement) and Balance Sheet.

After completing the Accounting Fundamentals Course, you move on to the Sage 50 Accounting Course 1 to learn and experience the Sage 50 Accounting Program and apply the knowledge gained from the Accounting Fundamentals Course. You begin with navigating the program and creating and setting up a new company's books. Then, you'll move into settings to learn how to automate features and functions and customize the company's Chart of Accounts. Finally, you'll learn to record transactions in the General Journal, Sales Invoices and Customer Payments, Purchases and Expenses, payments by Cheque, EFT and e-transfers, Sales Tax reporting and payments, Bank Transactions and reconciliation, and complete a business's month-end Financial Statements and Reporting.

Next, you will proceed onto the Sage 50 Accounting Course 2 to learn more features and topics of setting up and completing payroll, inventory transactions and management, projects and job costing, company budgets, departmental accounting, and a business's fiscal year-end with adjusting transactions.

Simply Training has years of experience designing courses and understanding how people learn best! We do not teach from a book as many institutions do; we teach from experience and how businesses work today. Our instructional videos offer more than just demonstrations of recording transactions; they provide information on bookkeeping, office procedures and processes. We use Canadian content, best practices, and consultants' tips and tricks.

This course is different from any other online or classroom course. We remain current in the industry, update our course materials, and provide all Canadian content with taxes, CRA rules, regulations and guidelines, and training techniques to help you learn. We also do not waste your time or money with filler courses; course content is developed on what businesses need today. We also do not leave you in the dark; you are assigned to an instructor to assist in the course.

This course provides exceptional value! Join the thousands of Canadian office assistants, Bookkeepers, Accountants and Business Owners who have trained with us, completed courses, and are working today. Ensure you read our testimonials of our students who have completed courses and helped them find work, start their business, streamline their bookkeeping, and improve accuracy and data entry time.
