

Sage 50 Accounting Course 2

Course Fee: \$385 + Tax (CAD)	25 Course Hours	24/7 Online Access
Assigned Instructor	Prerequisites: Yes	Certificate Course

Course Description:

In this course, you will learn and experience the simplicity of working in the Sage 50 Accounting 2025 Program, including Sage 50 Cloud, Sage 50 Pro, Sage 50 Premium, and Sage 50 Quantum.

This Sage 50 Accounting Course 2 is a continuation of Course 1, and you will learn to use other modules and features in Sage 50 that take you to the next level. You are introduced to the payroll module, setting up Employees, processing paycheques and paying remittances, Inventory and Inventory Maintenance, Projects and Job Costing, Company Budgets, Departmental Accounting, a company's Fiscal Year-End and User security, to name a few.

Simply Training has years of experience designing courses and understanding how people learn best! We do not teach from a book, as many institutions do; instead, we teach from experience and how businesses operate today. Our instructional videos offer more than just demonstrations of recording transactions; they provide comprehensive information on bookkeeping, office procedures, and processes. We use only Canadian content and best practices, and you will have access to many Sage 50 tips and tricks.

This course provides the best value from any other Sage 50 Accounting course, as our hands-on exercises take you step-by-step to prepare you for working with Sage 50 Accounting in a business. In addition, you are assigned to an expert instructor to help you during the course and answer questions.

This course provides exceptional value! Join the thousands of Canadian office assistants, Bookkeepers, Accountants and Business Owners who have trained with us, completed courses, and are working today. Ensure you read our testimonials from students who have completed courses and achieved success, including finding employment, starting their businesses, streamlining their bookkeeping, and improving accuracy and data entry times.

Course Requirements and FAQ

What are the prerequisites? You must have completed the Sage 50 Accounting Course 1.

Who should take this course? Anyone currently using Sage 50 Accounting who wants to learn to use the program proficiently (office staff, assistants, data-entry personnel, Bookkeepers, Accountants) or anyone who wants to update their Sage 50 Accounting skills and learn the automated features that save time. Registrants must be proficient in English, reading, writing, and oral communication.

When can I get started? You can start this course at any time your schedule permits.

How do courses work? Once you submit your registration, we will begin processing it, and your account login will be set up. Next, you will receive an email with your login details to access the course and get started. Once on the course page, lessons are laid out step-by-step, with a Getting Started Guide and the course syllabus.

Where can I access the course from? This course is available online with 24/7 access from anywhere, accessible via a computer with an internet connection.

How long does the course take? Your login account provides access to the courses for three (3) consecutive months; you are assigned an access expiry date in your login email. The hours to complete the courses are approximately 25 hours, including reading lesson material, completing and submitting exercises and viewing videos. Therefore, you should schedule 25 course hours within the three (3) months period.

How Do the Videos Work? The instructional videos are streamed and accessed from the course page. They are easily viewable on a device with a video player. Videos can be viewed multiple times to learn at your own pace and on your schedule.

Which Sage 50 Accounting Program is used in this course? The course exercises use the Sage 50 Accounting 2025 Premium Students Program. The Student Program is designed for registered students and provides them with the opportunity to gain experience working with Sage 50, preparing them for a job-ready position.

Which Sage 50 Accounting Program is this course applicable to? The course applies to all Sage 50 Accounting Canadian Programs: Sage 50 Cloud Accounting, Sage 50 Pro, Premium and Quantum Accounting. Sage 50 Accounting 2025-2013 and Simply Accounting 2012.

Note: In 2019, Sage 50 Accounting was renamed Sage 50cloud. The core program remains the same across all Sage 50 Accounting programs; the addition of the word 'Cloud' is merely a name change, reflecting Sage's subscription pricing model. The term "Cloud" refers to a specific Sage 50 add-on that uses Remote Data Access for a company. It is either a server or a computer program that provides remote access, allowing users to work online or offline. Also, Simply Accounting is the same program name as Sage 50 Accounting; the name was changed in 2012.

What are the Computer Requirements?

- ✓ A Windows computer with Windows 10 or 11 (Desktop or Laptop)
- ✓ A computer with an internet connection
- ✓ Video player to view videos
- ✓ PDF Reader to download and read PDF documents.
- ✓ A printer (optional), if you choose to print the course materials.

Note: This course requires a computer running Windows OS. If you want to use a MAC computer, you must use a Parallel program to partition the hard drive and install the Windows OS for MAC. You will incur additional setup fees and may need to enlist the help of a professional IT specialist specializing in Mac computers. It is easier to use a Windows OS computer.
