Course Description:

In this course, you will learn and experience the simplicity of working in the Sage 50 Accounting 2025 Program, including Sage 50 Cloud, Sage 50 Pro, Sage 50 Premium, and Sage 50 Quantum.

This Sage 50 Accounting Course 2 is a continuation of Course 1, and you will learn to use other modules and features in Sage 50 that take you to the next level. You are introduced to the payroll module, setting up Employees, processing paycheques and paying remittances, Inventory and Inventory Maintenance, Projects and Job Costing, Company Budgets, Departmental Accounting, a company's Fiscal Year-End and User security, to name a few.

Simply Training has years of experience designing courses and understanding how people learn best! We do not teach from a book as many institutions do; we teach from experience and how businesses work today. Our instructional videos offer more than just demonstrations of recording transactions; they provide information on bookkeeping and office procedures and processes. We use only Canadian content and best practices, and you will experience many Sage 50 tips and tricks.

This course provides the best value from any other Sage 50 Accounting course, as our hands-on exercises take you step-by-step to prepare you for working with Sage 50 Accounting in a business. In addition, you are assigned to an expert instructor to help you during the course and answer questions.

This course provides exceptional value! Join the thousands of Canadian office assistants, Bookkeepers, Accountants and Business Owners who have trained with us, completed courses, and are working today. Ensure you read our testimonials of our students who have completed courses and helped them find work, start their business, streamline their bookkeeping, and improve accuracy and data entry time.

Course Requirements and FAQ

What are the prerequisites? You must have completed the Sage 50 Accounting Course 1.

Who should take this course? Anyone currently using Sage 50 Accounting who wants to learn to use the program proficiently (office staff, assistants, data-entry personnel, Bookkeepers, Accountants) or anyone who wants to update their Sage 50 Accounting skills and learn the automated features that save time. Registrants must be proficient in English, reading, writing and oral.

When can I get started? You can get started on this course anytime your schedule permits.

How do courses work? Once you submit your registration, we will begin processing it, and your account login will be set up. Next, you will receive your login email to access the course and get started. Once on the course page, lessons are laid out step-by-step, with a Getting Started Guide and the course syllabus.

Where can I access the course from? This course is online with 24/7 access from anywhere using a computer with an internet connection.

How long does the course take? Your login account provides access to the course for three (3) consecutive months; you are assigned an access expiry date in your login email. The hours to complete the course are approximately 25 hours, including reading lesson material, completing and submitting exercises and viewing videos. Therefore, you schedule 25 course hours within the three (3) months.

How Do the Videos Work? The instructional videos are streamed and accessed from the course page. They are easy to view on a computer using a video player. Videos can be viewed multiple times to learn at your own pace and schedule.

Which Sage 50 Accounting Program is used in this course? The course exercises use the Sage 50 Accounting 2025 Premium Students Program. The Students Program is provided to registered students and assists them in gaining experience working in Sage 50 and preparing students to be job-ready.

Which Sage 50 Accounting Program is this course applicable to? The course applies to all Sage 50 Accounting Canadian Programs: Sage 50 Cloud Accounting, Sage 50 Pro, Premium and Quantum Accounting. Sage 50 Accounting 2025-2013 and Simply Accounting 2012.

Note: In 2019, Sage 50 Accounting changed its name to Sage 50 Cloud. The core program is the same in all Sage 50 Accounting programs; the word Cloud is only a name change and is Sage's Subscription pricing model. The term Cloud reflects specific add-on online solutions that can be used with the program. It is still a desktop program with add-on cloud solutions. Also, Simply Accounting is the same program as Sage 50 Accounting; the name was changed in 2012.

What are the Computer Requirements?

- ✓ A Windows computer with Windows 8.1, 10 or 11 (Desktop or Laptop)
- ✓ Internet connection
- ✓ Video player to view videos
- ✓ Adobe Reader to read and save PDF documents
- ✓ Printer to print documents (printing materials are at your discretion)

Note: This course requires a Windows OS computer. If you want to use a MAC computer, you must use a Parallel program to partition the hard drive and install the Windows OS for MAC. You will have additional setup fees and may need to enlist the help of a professional IT person specializing in MAC computers. It is easier to use a Windows OS computer.
