Course Description:

In this course, you will learn and experience the simplicity of working in the Sage 50 Accounting 2023 Program. Including Sage 50 Cloud, Sage 50 Pro, Sage 50 Premium, and Sage 50 Quantum.

This Sage 50 Accounting Course 2 is a continuation of Course 1, and you will learn to use other modules and features in Sage 50 that takes you to the next level. You are introduced to the payroll module, setting up Employees, processing paycheques and paying remittances, Inventory and Inventory Maintenance, Projects and Job Costing, Company Budgets, Departmental Accounting, a company's Fiscal Year-End and User security, to name a few.

Simply Training has years of experience designing courses and understand how people learn best! We do not teach from a book as many institutions do; we teach from experience and how businesses work today. Our instructional videos offer more than just demonstrations of recording transactions; they provide information on bookkeeping and office procedures and processes. We use only Canadian content and best practices, and you receive many consultants' tips and tricks.

This course provides the best value from any other Sage 50 Accounting course, as our hands-on exercises take you step-by-step to prepare you for working with Sage 50 Accounting in a business. In addition, you are assigned to an expert instructor to help you during the course and answer questions.

This course provides exceptional value! Join the thousands of Canadian office assistants, Bookkeepers, Accountants and Business Owners who have trained with us, completed courses, and are working today. Ensure to read our testimonials of our students who have completed courses and helped them find work, started their business, or streamlined their bookkeeping and improved accuracy and data-entry time.
